The Divine Mother Template – The Mother Matrix is a huge piece of the Aquarian teachings of the Divine Mother. It is being released for the first time into Earth by Lord Mary Buddha. Fourteen or the most prominent Divine Mothers of the Mother Matrix are placed on the template in four categories: Directions, Foundation, Continuum, and Service. They are overlaid into a Mandalla. This will help you to understand the various facets of the Divine Mother and how to properly align with Her Grace, Her Abundance and Prosperity.
